In the heart of the 1000 Islands, Gananoque is recognized as one of Eastern Ontario's most stunning waterfront communities. It has truly developed into a world-class destination for travelers, businesses, and residents.

Gananoque continues to develop and create an atmosphere that lends itself to the development and expansion of innovative ventures. Investing in community development that continues to enhance the excellent quality of life is key to our community's prosperity. Location ... location.... location.

Gananoque is at the centre of a market that includes 12 million consumers, with over half of the North American industry within a day's travel. Businesses located here enjoy the proximity of three of the major Canadian cities, in addition to quick and easy access to the United States. Gananoque has a highly-skilled and stable labour force. The occupational skew is toward manufacturing, with the balance of employment in tourism and service-based occupations. The region has a strong, steadily growing economy which serves as an excellent source of skilled labour on the one hand, while on the other hand, offering good markets for your products and services. Let us help you invest in your business and your quality of life!
