[www.prescott.ca](http://www.prescott.ca)

Prescott is proudly more than 200 years old. The "Fort Town" is famous for Fort Wellington, the Sandra S. Lawn Harbour and Marina, and is considered a top boating destination on the St. Lawrence River. The St. Lawrence Shakespeare Festival is a summertime sensation presenting lively, accessible professional, theatrical productions in a beautiful outdoor amphitheatre overlooking the river each July and August. Fort Wellington National Historic Site and the Battle of the Windmill are open to visitors from May until October. During the summer months the Forwarders' Museum and Visitor Information Centre offers displays about the founding of Prescott and the tremendous heritage of our ancestors.

Some of our community's larger businesses include Kriska Transportation, D.L. Construction and Roofing Ltd., Riverside Pontiac Buick. Ltd., and St. Lawrence Printing. Prescott is a transportation and logistics hub in the region because of its proximity to Highways 401 and 416, the Prescott-Ogdensburg International Bridge and the deep-sea Port of Johnstown. This town is also home to the Prescott Industrial Park.
