- Automotive
- Medical Equipment
- Airbags
- Food Packaging
- Clothing
- Electronics & Electrical Connectors
- High-Performance Coatings

Capabilities

- Chemical Intermediates
- Polymerization
- Fiber Production

OUR STEWARDSHIP VISION

We help people improve their lives by providing products and services they value more highly than their alternatives.

We experiment and innovate to responsibly create more value while consuming fewer resources.

We seek mutually beneficial outcomes with customers, employees, suppliers, communities and other key constituencies.

28,000 trees planted in 2022 in partnership with CRCA and Forest Ontario, celebrating Maitland employee's efforts over the past decade to reduce the energy it takes to make their product by more than one-third.

71 Years of creating value in the community

1953 Nylon intermediates

1955 Refrigerants

1957 Acrylic Fibre

1958 Hydrogen Peroxide

1963 Spandex

1965 Tetraethyl Lead

1983 Engineering Polymers

1996 Nylon Specialty chemicals

2015 Electricity provided to Ontario grid

2024 Restart of Nylon intermediates announced

Where are our “Nylon Specialties Chemicals” used?

Phenol
production

Oil & Gas
applications

Dytek®

High Temperature
Nylon – engineering
plastics, electronics

Vitamin B3
(Niacin)

Our products are shipped around the world

Living out our vision in our community

From INVISTA's Vision

We will succeed by:

* Being a **preferred partner** by seeking mutual benefit and providing a superior customer experience

*Over 100 INVISTA team members

*Up to 100 members from local contractor firms helping us each day with our high level of activity

*25-years working with our Hydrogen Peroxide partners

Exciting things happening in Maitland

In 2024 and 2025, INVISTA is investing at Maitland Site:

- \$23M to restart Nylon Intermediate assets (HMD)
- \$12M to build a modern boiler to produce steam for users while reducing emissions at the site
- An addition \$16M in several risk reduction, reliability and sustaining projects

A great team, excited about the future!

July 2024 – INVISTA CEO Francis Murphy at Maitland Site celebrating 20 years as INVISTA and announcing \$23M investment to restart Nylon Intermediates assets
